

NS403 Urban Concrete

Stone & Marble Collection

The NS403 Urban Concrete pattern from our Stone & Marble Collection brings an intense, industrial edge to any space. As the darkest in our concrete lineup, this pattern captures the deep, rugged character of urban concrete with its rich, shadowed tones and subtle textures. Ideal for adding a touch of sophistication to modern interiors, NS403 evokes a metropolitan vibe that pairs beautifully with metal, wood, or glass accents.
