

# NS602 Black Copper Patina

## Metal Collection

NS602 Black Copper Patina from our Metal Collection offers a unique blend of sophistication and rugged charm, capturing the allure of aged, oxidized metal. This distinctive interior film mimics the natural patina of blackened copper with subtle copper undertones, creating a richly textured surface that radiates depth and character. It's perfect for adding a vintage-industrial feel to modern spaces, while still maintaining an air of elegance.
